Program Descriptions

*Quickstart (ages 5-8) ****

It is said that Quickstart Tennis enables children to "Play to Learn" rather than "Learn to Play"! Created by the US

Tennis Association, Quickstart uses smaller racquets, special foam balls, and our uniquely-sized small courts to get your children playing right away! It is truly amazing how this special equipment increases the "fun factor" for all. A demonstration of Quickstart can be seen on the USTA website. Other camp activities include swimming, arts and crafts, & board games.

*Aces and Smashers (ages 9-15) ****

The fundamentals of tennis will be taught focusing on a full range of shots. The juniors will play games involving strategy and match play. The sessions will concentrate on specific shots as well as tournament play with an emphasis on sportsmanship. Along with the tennis workout, students will enjoy other sports and games, such as swimming, ultimate Frisbee, soccer, and basketball.

Chapel Hill Tennis Club offers 5 month family and individual SUMMER MEMBERSHIPS with full club privileges AND the MEMBERSHIP RATE for CAMP! Contact Alan Rader 929-5248 to sign up.

For the Parents

We consider it a privilege to have the opportunity to teach your child. Whether your child is a beginner, tournament player, or somewhere in between, we will provide a fun, safe, wholesome environment in which to learn!

The tennis camp will be held on the courts at CHTC, a full-service tennis and swim club with 18 clay courts, 6 hard courts and 4 indoor courts. We also have special "Quickstart" courts to meet the needs of our youngest students! The indoor courts are air conditioned and will be used on rainy days. The grounds include a basketball court, sand volleyball court, playground, swimming pool and hitting walls. The campers, with the supervision of their instructors, will have the use of the grounds during camp hours.

We look forward to seeing you!
